

HAGAR

The whole journey

HAGAR

ALL ABOUT US

Hagar exists because 40.3 million people are estimated to be living in modern slavery. Women and girls account for nearly three quarters of all victims of slavery. As an international Christian organisation, we are dedicated to the recovery of women and children who have endured extreme abuses. We do whatever it takes to help survivors of modern slavery, human trafficking and abuse to heal and rebuild their lives.

With over 25 years experience in Trauma Informed Care, Hagar works with survivors in Cambodia, Vietnam and Singapore. We also provide humanitarian assistance for those who are displaced, vulnerable or living in poverty in Afghanistan.

Our vision is to see communities free and healed from the trauma of trafficking, slavery and abuse

Christmas Appeal 2021

We are asking you to partner with us this Christmas to help work with 30 survivors of human trafficking in Cambodia.

It is estimated that Cambodia has one of the highest prevalences of slavery in the world. Unfortunately, there are limited services in Cambodia to provide support to survivors and their families meaning that the need far outweighs the supply.

This is where Hagar can step in providing specialised care for a survivor of human trafficking, their family and community.

The Cambodian government have collaborated closely with Hagar Cambodia and there is an urgent need to take in an additional 30 survivors of human trafficking. These individuals have suffered serious trauma and as a result have poor mental and physical health and low self-esteem. They have already arrived in Phnom Penh (Cambodia's capital) with nothing other than the clothes they are wearing.

Hagar will provide these survivors with all the services they need to work through their experience and begin to reintegrate into their communities, services such as clothing, daily food support, medical support, case management, trauma informed counselling and job training.

You can read the story of a survivor of human trafficking in Cambodia [here](#)

What can you do?

We're asking if you could hold an event in your workplace or with your friends and collect for Hagar's Christmas Appeal 2021. It could be a Christmas Hat Day or a Mince Pie Coffee Morning - whatever you would like!

We would provide you with any informational material that would be helpful in your context; a short introduction to Hagar film, Hagar leaflets or postcards. You organise and run the event. Afterwards you can send us any money raised to help change the lives of survivors of human trafficking in Cambodia.

What will your money do?

£12 will provide clothes for one survivor when they are first rescued

£40 will provide medical assistance for one survivor

£75 will provide legal support for one survivor for one year

£200 will provide on the job training for one survivor

£450 will provide all the Hagar services needed for a survivor of human trafficking for one year
